To Whom it May Concern:

It is with great pleasure that I recommend my colleague and mentor, Donna Crow. I first met Donna in 1979. Since that time, I've seen her consistently exhibit the following qualities:

Donna teaches others to be discerning by helping them to think Biblically.

As a minister, Donna spends a large portion of time reading and studying Scripture.

Donna does not compromise Biblical truth.

Donna consistently lives a godly life.

Donna works hard. Even during years of illness, she consistently ministered to others.

Donna is an example, in word, in conduct, in love, in spirit, in faith, in purity.

Donna is fulfilling her calling.

Donna is accountable to others for counsel and direction.

Donna is trustworthy with her resources and those entrusted into her care.

In summary, Donna's lifestyle is her greatest ministry. I have experienced many years of fellowship and support from her and consider her my minister. I wholehearted support any endeavor that Donna chooses to pursue.

Sincerely,
