

The price has already been paid, now we simply receive.

Let me tell you a secret. It takes faith to move from where you don't want to be, to where you do want to be, and the secret about faith is this: It works by **love**. Faith stands on the shoulders of **love** to see the path out.

Without **love**, there is no faith, and the number one place to look for **love** is God, not people. The God of **love** says, if we **love** Him, with all we have, He will pour out on us everything we could possibly need or desire in life, and He absolutely guarantees it. A few of us have taken Him up on His offer and found Him to be faithful to His word.

What if you feel nothing toward God? You can easily change that. How? By taking some time to get to know Him. He said that if we seek Him we will find Him, if we seek Him with all our heart.

From experience, I know that the more I learn about God, and the more I get to know Him, the more I **love** Him, and the more faith I have to believe He wants to bless me in every area of my life.

God hasn't lost His power. He created everything we see and everything we can't see, and He still has the ability to create what we need when we need it.

The God who did miracles in the Bible is still doing miracles today; healing the sick, restoring finances & freeing prisoners.

The Bible says, darkness has blinded the eyes of the unbelieving. I wonder; has the darkness of hardship and disappointment blinded you to **love**, causing you to lose faith in **love**, and in life?

It doesn't have to stay that way. You can choose to believe in **love** again. You can choose to get to know God, and begin to appreciate Him, and even **love** Him. You can enjoy God's **love**. You can accept His **Supernatural Love** by faith, and you *will* receive it, He guarantees it.

He is waiting to pour out His **love** on you. He is waiting to move you from where you do not want to be to where you do want to be.

Jesus, commanded us to **love** because **love** is the key to living a supernatural life, unlimited by natural circumstances. Every moment lived outside of **love** is lived in darkness, outside of God's provision. God is **love**, and it is His will for all of us to know His amazing, **Supernatural Love**, and His unlimited provision. The path is simple and the way is clear. Seek God, the source of all **love**, and you will find the faith you need for your miracle.

Do You Believe In Love?

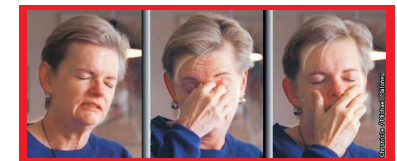

Do you believe mothers love their babies? Do children love their parents? Do brothers and sisters love each other?

I know what you are thinking,

“Sometimes”

Sometimes people love each other, and sometimes they don't. In fact . . . sometimes people are cruel, and lack even simple kindness, much less love.

I've had my fair share of
disappointment in life.
I have loved and lost.
I have been heart broken.

I've been lonely,
I have felt lost,
hopeless,
discouraged,
depressed
desperate,
and even afraid.

Nevertheless, I believe in **love**.

Not every yard is a beautiful
garden teeming with
colorful flowers,

And not every life is filled to
overflowing with **love**.

Nevertheless, I believe in **love**.

Believing in love
enabled me to
survive the profound
hardship of my life.

Not only do I believe in love,
but I believe in
Supernatural Love.

Love that is greater than
simple human love,
Love that turns
lack into bounty,
Love that turns hopelessness
into a glimmer of hope . . .
that grows and builds
and turns into a new life;
a life that begins to
blossom and take on beauty.

I believe **Supernatural Love**
is meant to be enjoyed by
all people, everywhere.

I believe we all have a right
to partake of
Supernatural Love
and to see our lives
transformed by it.

Supernatural Love
transformed my life, and
I've seen it transform the
lives of others.

I've seen **Supernatural Love**
heal bodies.

I've seen a spine twisted out of shape
with scoliosis become perfectly straight.
I've seen a broken foot mend overnight.
I've seen Chronic Fatigue Syndrome
disappear instantly. I've seen a damaged
rotator cuff in a shoulder completely
healed, in an instant. I've seen a man
wake up from a coma. I've seen Panic
and Anxiety disappear.

I've seen all
these miracles,
and more, made
possible by
**Supernatural
Love.**

Supernatural Love is unlimited in its
ability to restore, repair and renew.

AND, it is free for the taking. You cannot
purchase it at any price.

Just like your first
breath was a gift,
Supernatural Love
is also a gift.

The same Spirit that
gave you life
desires to give you **love**.

Free of charge!

You can't earn it,
you can't deserve it,
you can't work it up
in your own strength,
but you can receive
it as a gift.
